

-: Convergence :-

As per directives of the Central and state government the district level committee of resource group has been formed. Instructions have been percolated to form the resource committee at block level. As discussed in the district level committee it is decided to plan for the convergence as under.

i) Short term convergence :-

In the district the work of 88 farm ponds has been completed under M.R.E.G.S. the planning for convergence with other works i.e. providing electric motor pump for lifting water from farm ponds and providing pipes for distribution system by T.S.P. is done. Besides this, the beneficiaries have been given training and demonstration by Agriculture department

ii) Long term convergence :-

The overall development plan considering village as a unit is done. It consist of selected works that will be executed under M.R.E.G.S. These selected works will be converged with other activities proposed by K.V.K. Nandurbar, NABARD and other institutions participating in the development plan. The plan is prepared for 4 villages.

The details regarding identification of villasges , works under M.R.E. G. S , their estimated cost are as under

s. No	Name of Village neme	Block	Compartment Bunding		Terracing		C.C.T.		Boulder structure		Cement bund		Earthen bund		Farm Ponds		Total	
			No Of Works	Estimated Cost (Rs in Lokh)	No Of Works	Estimated Cost (RS in Lokh)	No Of Works	Estimate d Cost (Rs in Lokh)	No Of Works	Estimate d Cost (Rs in Lokh)	No Of Works	Estimate d Cost (Rs in Lokh)	No Of Works	Estimate d Cost (Rs in Lokh)	No Of Works	Estimate d Cost (Rs in Lokh)	No Of Works	Estimated Cost (Rs in Lokh)
1	Panipada	Navapur	4	16.48	8	30.00	0	0.00	1	0.63	0	0.00	0	0.00	2	2.70	15	49.81
